## Independent Auditor's Report

**To the Members of  
The Children's Bridge**

### Opinion

We have audited the financial statements of The Children's Bridge (the "Organization") which comprise the statement of financial position as at July 31, 2022, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at July 31, 2022, and its results of operations and its cash flows for the year then ended in accordance with Canadian Accounting Standards for Not-for-Profit Organizations.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian Accounting Standards for Not-for-Profit Organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## The Children's Bridge Summary of Significant Accounting Policies

July 31, 2022

---

**Nature of the Organization** The Children's Bridge is incorporated under the Canada Not-for-profit Corporations Act. The Organization is working to educate families on the subject of adopting a child, providing assistance to families who are interested in international adoption and to assist children who are in need in orphanages in foreign countries. The Organization is a not-for-profit organization as defined in Section 149(1)(L) of the Income Tax Act and, as such is exempt from income tax.

**Basis of Presentation** The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations which are part of Canadian generally accepted accounting principles and include the following significant accounting policies.

**Financial Instruments** Financial instruments are financial assets or liabilities of the Organization where, in general, the Organization has the right to receive cash or another financial asset from another party or the Organization has the obligation to pay another party cash or other financial assets.

### Measurement of arm's length financial instruments

The Organization initially measures its arm's length financial assets and liabilities at fair value. The Organization subsequently measures all of its financial assets and financial liabilities at amortized cost.

Financial assets and financial liabilities measured at amortized cost include cash, funds held in trust, investment, accounts payable and accrued liabilities and trust liability.

### Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in excess of revenue over expenses. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in excess of revenue over expenses.

### Transaction costs

The Organization recognizes its transaction costs in excess in revenue over expenses in the period incurred. However, financial instruments that will not be subsequently measured at fair value are adjusted by the transaction costs that are directly attributable to their origination, issuance or assumption.

## The Children's Bridge

### Summary of Significant Accounting Policies

**July 31, 2022**

---

<b>Use of Estimates</b>	<p>The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.</p> <p>Significant estimates include assumptions used in estimating the useful life and related amortization of tangible capital assets and intangible assets and provisions for accrued liabilities and certain accounts payable.</p>		
<b>Tangible Capital Assets</b>	<p>Tangible capital assets are recorded at cost and amortized on a straight-line basis over their estimated useful lives at the following annual rates:</p> <table><tr><td style="padding-left: 20px;">Computer equipment</td><td style="padding-left: 100px;">3 years straight-line basis</td></tr></table> <p>A half-rate is used in the year of acquisition.</p> <p>Tangible capital assets are written down to the fair value or replacement cost when conditions indicate that the assets no longer contribute to the Organization's ability to provide services.</p>	Computer equipment	3 years straight-line basis
Computer equipment	3 years straight-line basis		
<b>Intangible Assets</b>	<p>Intangible assets consists of software, is recorded at cost and amortized on a straight-line basis over an estimated useful life of 2 years..</p>		
<b>Revenue Recognition</b>	<p>Annual dues for membership and fees for services are recorded as revenue and receivable when earned once terms have been accepted and when collection is reasonably assured.</p> <p>Fees and sales revenues are recognized as revenue and receivable when the service has been rendered or the goods have been delivered.</p> <p>Investment and other income is recorded as revenue when earned.</p>		
<b>Volunteer Services</b>	<p>The Organization receives the services of many volunteers, the cost of which cannot be reasonably estimated. Therefore, no representation of this expenditure has been included in these financial statements.</p>		
<b>Foreign Currency</b>	<p>Transactions during the year in U.S. dollars have been converted in the accounts to Canadian dollars at the exchange rate effective on the transaction date. All monetary assets in U.S. dollars have been converted to Canadian dollars at the exchange rates in effect at the date of the statement of financial position. Gains or losses resulting therefrom are included in the determination of excess of revenue over expenses for the year.</p>		

---

## The Children's Bridge Notes to Financial Statements

**July 31, 2022**

**1. Cash**

The Organization's bank accounts are held at one chartered bank. Bank balances include \$67,188 (2021 - \$67,211) denominated in U.S. dollars.

**2. Investment**

Investment is held with a chartered bank and consists of a guaranteed investment certificate with effective interest rate of 3.45% (2021 - 0.5%) and matures in Jan 2024.

**3. Tangible Capital Assets and Intangible Assets**

	2022			2021		
	Cost	Accumulated Amortization	Net Book Value	Cost	Accumulated Amortization	Net Book Value
<b>Tangible Capital Assets</b>						
Computer equipment	\$ 12,668	\$ 9,971	\$ 2,697	\$ 35,763	\$ 27,767	\$ 7,996
<b>Intangible Asset</b>						
Software	\$ 7,728	\$ 7,224	\$ 504	\$ 6,720	\$ 6,720	\$ -

During the year, the organization wrote off \$23,094 in fully amortized assets.

**4. Assets Held in Trust**

	2022	2021
Canadian dollar trust account	\$ 162,747	\$ 183,026
US dollar trust account (U.S \$113,535 (2020 - \$72,224))	145,598	89,706
Ending balance	\$ 308,345	\$ 272,732

Monies held in trust on behalf of clients are recorded as Assets Held in Trust and Trust Liability. These funds are used to cover the expenses incurred on behalf of the client.

---

# The Children's Bridge

## Notes to Financial Statements

**July 31, 2022**

---

**5. Uncertainty Due to COVID 19**

The duration and full financial impact of the COVID-19 pandemic is unknown at this time, as are any additional measures to be taken by governments, the Organization or others to attempt to reduce the spread of COVID-19. Any estimate of the length and severity of this pandemic is subject to significant uncertainty and accordingly it is unknown whether COVID-19 may materially and adversely impact the Organization's operations, financial results and condition in future periods.

---

**6. Credit Facility**

The Organization has access to \$50,000 of unsecured credit cards with a financial institution, bearing interest at 19.99% per annum. As at July 31, 2022, \$2,154 was used.

---

**7. Risks and Concentrations**

The Organization is exposed to various risks through its financial instruments. The following analysis provides a measure of the Organization's risk exposure and concentrations as at July 31, 2022.

Liquidity risk

Liquidity risk is the risk that the Organization will encounter difficulty in meeting obligations associated with financial liabilities. The Organization is exposed to this risk mainly in respect of its accounts payable and accrued liabilities.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Organization is mainly exposed to currency rate risk.

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Organization is exposed to this risk mainly in respect of cash held in U.S. dollars as disclosed in Note 1 and 4.

Changes in risk

There have been no significant changes in the Organization risk exposures from the previous fiscal year.
